DECISION

The petition to revive under 37 CFR 1.137(b) filed on 21 May 2007 in the above-captioned application is hereby **GRANTED** as follows:

Petitioner states that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional." Said statement is being accepted in satisfaction of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has filed the required reply in the form of the basic national fee, and has paid the petition fee. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

Inspection of the declaration filed on 21 May 2007 reveals that shows an un-initialed alteration (the hand-written international application number).

This application is being forwarded to the Office of Patent Application Processing for further processing, including the preparation and mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) requiring the submission of an oath or declaration in compliance with 37 CFR 1.497(a) and (b) and the surcharge under 37 CFR 1.492(h).
